

Reliable, Quality Care You Can Trust

At Little Miracles Daycare, we believe investing in your child's early education is one of the most important decisions you can make. Our tuition rates reflect the high-quality care, nurturing environment, and enriching curriculum we provide every day. We offer clear enrollment options and are here to guide you through the process, making it simple and stress-free for families.

What Influences Tuition Rates?

We believe in being transparent about tuition so families know exactly what they're investing in. Tuition rates are based on your child's age group and attendances schedule. Infants need more individualized attention and lower teacher-to-child ratios, which is reflected in tuition. Our Infant Program requires a 5-day per week schedule for consistency, and each infant is assigned their own crib for the duration of the program to ensure comfort, safety, and to help minimize any risk of cross-contamination.

What's Included in Tuition

Your child's tuition covers many daily essentials, helping simplify routines for families while ensuring children are safe, nourished, and comfortable. This includes:

- Diapers provided on-site
- Nutritious meals and snacks (breakfast, lunch, and snacks)
- Loving, individualized care tailored to your child's developmental stage
- Enrichment activities that encourage learning through play

Our goal is to provide high-quality care and education at a fair value, giving your family peace of mind and your child the best possible start.
